25X1 1. [ ] (OSI) telephoned to advise that the Hollifield Subcommittee of the Joint Committee on Atomic Energy wished a briefing from the Agency on the Soviet nuclear electric program. A request will be forthcoming to the Agency on this. I also queried [ ] whether AEC had responded to the Bureau of the Budget on the proposed executive order. He will check this further.

25X1 2. Discussed with Carl Marcy, Senate Foreign Relations Committee. [ ]. Marcy indicated that action would not be forthcoming for several months. See memorandum for the DCI.

4. Talked with Roland Severy, Bureau of the Budget, on the reason for the provision in section 9 of H. R. 5175, the Overseas Medical Benefit bill. This section appears to negate the provisions of sections 7 and 8 of the bill authorizing payment of medical expenses for dependents. Personnel
